Dejan Milošević

milo@bih.net.ba

Born July 5th, 1959, in Sarajevo, Bosnia and Herzegovina.

EDUCATION

Primary School and Gymnasium in Sarajevo. Faculty of Science, University of Sarajevo, Department of Physics 1981. Postgraduate study of theoretical physics at the Faculty of Physics, Faculty of Science and Mathematics, University of Belgrade: M.Sc. thesis 1986, Ph.D. thesis "Atomic processes in a strong laser field" 1990.

POSITIONS

1982-1984	Assistant, Institute of Physics, Faculty of Science, University of Sarajevo
1984-1998	Researcher, Research & Development Centre, company "Zrak", Sarajevo
1991-1998	Assistant Professor, Faculty of Mechanical Engineering, Univ. of Sarajevo
1998-	**Department of Physics, Faculty of Science, University of Sarajevo**
1998-2004	Associate Professor, subject "Theoretical Physics"
2001-2024	Head of the Department of Atomic, Molecular and Optical Physics
2004-	Full Professor, subject "Theoretical Physics"
2004-2012	Head of the Postgraduate Study of Physics
2011	Member of the Council of Science of the Canton Sarajevo
2011-2016	Vice-Dean for International Collaboration and Quality Assurance
2012-2016	Member of the Ethical Committee of the University of Sarajevo
2013-2019	Head of the Doctoral Study at the Department of Physics
2017-2023	Chairman of the Council for Science and Arts of the University of Sarajevo
2017-2026	Member of the Steering Committee of the University of Sarajevo
2025-	Member of the Science Council of Bosnia and Herzegovina

SCIENTIFIC VISITS AND RESEARCH

1995-1997	Laboratoire de Physique Atomique et Moléculaire Université Catholique de Louvain, Belgium (eight months, two months, one month)
1997-1998	Institute for Theoretical Physics, University of Innsbruck, Innsbruck, Austria (three times for two months)
1998-1999	Department of Physics and Astronomy, The University of Nebraska, Lincoln, USA (one year)
2017	Institute of Applied Physics and Computational Mathematics, Beijing, China (three weeks)

1999-2024 Max-Born-Institut für Nichtlineare Optik und Kurzzeit-Spektroskopie, Berlin, Germany (1999-2000: 14 months; 2001-2008, 2017, 2019, 2022-2025: up to one month per year)

AWARDS AND MEMBERSHIPS

1981 Gold medal of the University of Sarajevo
1999-2000 Alexander von Humboldt fellowship
2001-2008 VolkswagenStiftung
2008 Corresponding member of the Academy of Sciences and Arts of B&H
2009 Award of the University of Sarajevo for the best professor in 2008/2009
2010 Alexander von Humboldt Project within the Research Group Linkage Programme in cooperation with the Max-Born-Institut from Berlin
2011 The individual Sixth of April Award of the City of Sarajevo
2011 Full member of the Croatian Society for Sciences and Arts from Sarajevo
2012 Full member (Academician) of the Academy of Sciences and Arts of B&H
2014 Member of the European Academy of Sciences and Arts: Active Member of Class IV – Natural Sciences
2016 Plaquette award for remarkable achievements in scientific research, Faculty of Science, University of Sarajevo (on the occasion of 56 years of continuous work of Faculty of Science)
2017 Outstanding Reviewer Awards 2017. Reviewer of the year for Journal of Physics B: Atomic, Molecular and Optical Physics
2018 The Sarajevo Canton Plaquette for a remarkable contribution to the development of science and education in the Canton of Sarajevo and Bosnia and Herzegovina, and for scientific achievements in theoretical physics
2018 Member of the Advisory Board of the Institute of Physics, Zagreb
2018 The State Award in the Field of Science for International Success in 2017
2018 Georg Forster Research Award, the Alexander von Humboldt Foundation
2019 The University of Sarajevo Medal
2023 Fellow Member of Optica (formerly OSA – Optical Society of America) - For seminal contributions to the theory of laser-matter interaction and attosecond science, and the advancement of science education in Bosnia and Hercegovina
2023 Outstanding Referee of the American Physical Society
2024 Federal award for science – award for lifetime achievement, Federation of B&H

DM is a Life member of the American Physical Society, Member of the Optical Society of America, and Member of the Physical Society in Bosnia and Herzegovina (Vice-president, Board Member).

DM is a referee for above 60 international journals and for international scientific agencies such as U.S. Department of Energy, German Research Foundation (Deutsche Forschungsgemeinschaft - DFG), Special Research Program (SFB) Austria, Aarhus Institute for Advances Study (AIAS), The Israel Science Foundation, etc.

DM has a long-standing (since 1999) collaboration with Dr. Wilhelm Becker and Max-Born-Institut für Nichtlineare Optik und Kurzzeit-Spektroskopie from Berlin, which has resulted in numerous common projects and publications.

According to the citation database Web of Science Core Collection (ResearcherID: AAH-5972-2019; 26.01.2026), Milosevic DB has 259 publications cited 10,785 times (H-Index 54).
